## Main Purpose and Plans

The park is being designed to provide an uplifting and educational experience. Plans to turn it into an outdoor classroom will include adding a trail system,

interpretive features, pavilion, amphitheater, observation blinds and an observation deck overlooking the Logan River. The park will also be wheelchair accessible.

## What We'd Like From You

Many people have already contributed to the park. If you would also like to contribute, please consider giving a monetary donation, volunteer time or materials by contacting Bob Atwood of Audubon at 753-0012 or Sandra Schimmelpfennig at 755-0779.

If you would like to schedule a time to visit Stewart Nature Park for group use, or desire a tour led by a naturalist, call Logan City Parks at 750-9877.
