

BRINE SHRIMP

Build Instructions

COLOR the puppet before you cut it out

CUT the puppet out

GLUE on the Brine Shrimp eyes

CUT two short 1" antennae out of black pipe cleaner

PUNCH a small hole for the antennae (marked on template) insert and tape on the underside

MAKE a 'finger ring' by rolling a strip of paper 1" x 4" into a ring – tape to secure.

TAPE the finger ring onto the underside – so you can wear your Brine Shrimp puppet

Wow! That is one great looking Brine Shrimp!

NOW ~ ~ ~ ~

Your Brine Shrimp finger puppet is ready for you to **PARADE** with your Lake loving community in praise, honor, and witness of Great Salt Lake and all life-giving water bodies!
