

EARED GREBE

Build Instructions

COLOR the puppet before you cut it out

CUT the puppet out (body and ear feathers)

'Fringe' cut the ear feather edges

GLUE on the ear feathers

and the eyes

GLUE the two body pieces together – leave the bottom area open

HOT GLUE the puppet stick in place – lower mid-body

Wow! That is one great looking Eared Grebe!

NOW ~ ~ ~ ~

PARADE your EARED GREBE puppet with your Lake loving community in praise, honor and witness of Great Salt Lake and all life-giving water bodies!
