## LEGISLATIVE UPDATE

2024 General Legislative Session

Issue Pre-Session

January 13, 2024

---

### 2024 Legislative Update

Each update provides key highlights for the prior weeks General Legislative Session and what is expected for the week ahead. The focus of this update are the Utah state legislation and actions for protecting wildlife and the environment. Questions and comments can be directed to Dan Strauch: [strauchmail@yahoo.com](mailto:strauchmail@yahoo.com).

### About the Legislative Update

The *Legislative Update* is made possible by the Utah Audubon Council and contributing organizations. Each *Update* provides legislative actions, descriptions and updates throughout the Session and important dates and progress of key committees. For the most up-to-date information and for the names and contact information for legislators, check the Legislative website at [www.le.utah.gov](http://www.le.utah.gov). The *Update* focuses on legislative information pertaining to wildlife, sensitive and invasive species, public lands, state parks, SITLA land management, energy development, renewable energy and conservation and water issues. The *Update* is distributed after each Friday of the Session. Additional Action Alerts may also be distributed during the session. Please use this information to prepare you to contact your legislator with your opinions and concerns!
